YEAR 10 ODAS SURVIVAL CAMP

Thanks to all the parents and students who have paid and got their notes in for the upcoming ODAS camps. Below is a list of equipment required for the Survival Camp. Any questions please don’t hesitate to contact me at laura.tolley@det.nsw.edu.au or on 67648600.

WHAT TO BRING?

- Hat
- Rain jacket
- Warm weather gear (jumper, pair of thermals & beanie as it can get very cold)
- Sleeping bag (rated to zero degrees C)
- Long sleeve shirt X 2
- Long pants X 2
- Sunscreen
- Plate, Spoon, fork and mug
- Insect repellent
- Socks X 3
- Underwear
- Toothbrush & paste
- Joggers (old pair) or sturdy comfortable hiking boots
- Day backpack (old one)
- Aerosols and any digital technology such as phones or MP3 players are not permitted
- Medication – any medication needs to be given to teachers

Please try and avoid cotton based clothing. Cotton provides minimal insulation when wet and takes a long time to dry. Quick dry materials such as polyester are more practical.

All bags will be checked for contraband – Bring only what is required.
