SECOND HAND CLOTHING GUIDELINES

Please follow these guidelines when selling second-hand items through the Clothing Pool:

- ◆ Uniforms for sale should be clean, with stitching intact (for maximum re-sale value). To assist us in the speedy processing of your clothing:
- ◆ All blazers must be dry-cleaned, with a dry-cleaning tag attached.

Please include a piece of cardboard PER ITEM with your name and address written in the centre (cardboard size approx 5cm x 7cm).

We will price the items according to their condition.

- ◆ One third of all sales is retained by the Clothing Pool, with the exception of blazers, where only \$10 of the sale is retained.
- ◆ Volunteers who are marking the clothes use a list to price the items. The selling price for each item is determined by the Clothing Pool.
- ◆ A book is kept for each parent selling uniforms, and each item is marked off when sold.
- ◆ Any “unsuitable” items (i.e. those not meeting the specific uniform criteria) will be sent to a local charity, and not returned to the parents.
- ◆ Any clothes you wish to donate, should be placed in a separate bag and marked ‘Donation’.
- ◆ Please advise the Clothing Pool of any Change of Address.
- ◆ **Cheques for sold items are paid to parents once a year. These are sent out at the end of June, with a list of items sold.**
- ◆ Boys can access the Clothing Pool on open days during their recess and lunch break. All boys can try on clothes & select items for purchase & then have them sent to the Admin Office, for collection, **after payment is made**, by the parents.
- ◆ **NB:** Clothing not collected from the office within one month will be returned to stock.
- ◆ Captain and Prefect **Blazers** are available—deposit required.
- ◆ **Akubra Hats**—only available from Clothing Pool.
