# Farrer Canteen

**On the year 9 and year 10 book lists the subjects denoted by an asterisk are the compulsory subjects for each student.**

**The Canteen has all these books available for sale at the beginning of Term 1 2018 and can help students with their books.**

**Each year we put together a basic book pack for years 9 & 10. Usually this costs around \$24.00 and then students can add their elective subject books.**

**The Canteen provides good quality stationery and also sells Casio Calculators, Farrer Pencil Cases and the Farrer School Beanies**

**Eftpos is now available at the Canteen and makes purchasing books a lot easier. Remember supporting the Canteen supports the School.**
