

SUPERWHITES

"The highest performing White Suffolks in Australia"

About Superwhites:

- The Superwhites genetic improvement group was formed in 1995 and comprises 20 members across Australia
- The group has a strong commercial focus and is committed to producing the highest performing White Suffolk rams in Australia
- The group select rams that perform in the paddock under commercial conditions
- The group identify the best genetics in Australia each year and use these within member flocks
- Collectively the group represent 5,000 breeding ewes and produces around 15% of Australia's White Suffolk rams

FARRER WHITE SUFFOLKS

Rams are bred for high growth.
After all, weight is what you get paid for!

Rams are selected for muscling in the loin and leg. They are the most expensive cuts.

Rams are bred from the best genetics in Australia and then performance tested to identify the best
